

# DIOCESAN POLICY MANUAL

THE EPISCOPAL DIOCESE OF  
KENTUCKY

2007

## INTRODUCTION

This Diocesan Policy Manual has been prepared and distributed as a reference document for each congregation of the diocese. It contains policies and guidelines that I endorse. This manual is intended to supplement and complement the annual Journal of the Diocese of Kentucky, which includes the Diocesan Canons.

The manual was initially reviewed and endorsed by the members of Trustees and Council on June 5<sup>th</sup>, 2007. We expect that the manual will be revised periodically. Amendments and changes will be dated and web-posted so that each congregation can be assured that they are using the latest data available.

This manual will provide significant guidance to each congregation in their life and ministry within our diocese. Since we perceive this to be a living document, I encourage you to comment on what has been prepared and to suggest changes that will assist you and others in the conduct of parish ministry.

The Right Reverend Edwin F. Gulick, Jr.  
Bishop of Kentucky
